

The background of the top two-thirds of the image is a close-up of dark, weathered wood planks. The planks are arranged horizontally and show significant texture, including knots, grain variations, and some surface wear. The colors range from deep, dark browns to lighter, more ashy tones where the wood has been weathered or possibly treated. The lighting is somewhat uneven, creating subtle gradients across the surface.

SMP3DWALLS

REAL WOOD. REAL AWESOME.

RESPONSIBLE

The wood for the planks comes from sustainably-farmed forests.

CLEAN & SAFE

The planks are made from new pine wood, and are clean of hazards, like nails, paint, or arsenic.

LITTLE TO NO WASTE

The average typically installed job has less than 5% waste.

INSTALL IT, FORGET IT

Real wood planks require little to zero maintenance.

NORTH AMERICAN MADE

The wood planks are grown, harvested, and crafted in North America.

BREATHE EASY

Keep your house chemical free. Zero odors, zero VOCs.

SMP₃DWALLS

IT'S ALL IN THE DETAILS.

Using a proprietary wood treating process with natural oils, and North American craftsmanship, each plank looks and feels like authentic reclaimed barn wood.

NAIL IT OR GLUE IT, AND RELAX.

SMP3DWALLS

YOU BUY A BOX. WE PLANT A TREE.

AS-IS Brand is a proud partner of Trees For The Future. For every box of AS-IS that is purchased worldwide, a tree is planted. Some would say that we're planting it forward.

FIRE RESISTANCE, WE GOT YOU.

Some applications or installs require strong fire-resistance. Don't fret. All AS-IS Brand Wood Walls come standard with a Class A fire-rating.
